REAGAN HAYES

Occupation: Furniture Designer, Reagan Hayes, Inc.

Backstory: Growing up in Baton Rouge, Hayes was originally influenced by traditional Southern design. She learned about aesthetics from her mother, a residential interior designer, and after earning a BFA from Harrington College of Design in Chicago, Hayes joined Simeone Deary Design Group in order to focus on high-end residential and hospitality projects.

Idiosyncratic Design: Offering customization with youthful elegance — graceful, refined silhouettes available at accessible price points.

Style Strategy: “Let the details shine; simplify everything else,” Hayes says.

Where to Buy: Calypso Home | 225 26th Street, Santa Monica | 310.587.0703
